

Student and/or Family Project Proposal Form

for the HRACS Spring Festival

Thursday, April 27, 2017

6:00pm-7:30pm

Proposal Due: February 8, 2017 (turn in with AWR)

Directions: Fill out one per student unless you are doing a family project, in which case, put all student names on a single form.

Student Name(s): _____

Project Title: _____

Answer the following questions by checking one box for each question:

1. Student or Family will need a project board: Yes No

2. Which grade level does your project fit?

Family Project

TK-2

3-5

6-8

3. This year we are offering participation in the actual Science Fair run by Stanislaus County. <http://www.stancoe.org/scoe/iss/science/science-fair/index.html> Students who choose to participate will conform their projects to those guidelines and will be judged accordingly with the top entries moving up to the county level competition in May.

I am interested in the Science Fair option: Yes No

4. To which content area is the project connected?

Science

Technology

Fine Arts

Social Studies

Language Arts

Other: _____

Project Description

Important:

A project board will be available for each student to be picked up in the Ed Center starting with the March AWR date or you may provide your own of the same dimensions. For siblings, this form can be copied as needed or downloaded from our website.
